The Trust was set up to give back to the people of Bedford and wider Bedfordshire, offering financial support to community-based projects.

WHAT IS THE FUNDING FOR?

The work and projects the fund will support must align to the Charitable Aims of the Frank Branston Charitable Trust, which are to provide public benefit within the county of Bedfordshire, improving the lives of residents of Bedfordshire through:

- the advancement of health and wellness, and saving of lives
- supporting arts, culture and heritage within the community
- the alleviation of poverty
- access to education and training

HOW MUCH CAN I APPLY FOR?

There are two grant levels for this fund. Each has their own application form, so please be sure of which level of funding you would like to apply for ahead of starting an application. This is the criteria document for **Main Grants**.

Main grants between the value of £2000-£9999 for more substantial activity lasting up to one year of delivery (until May 2024). You will be asked for a more detailed description of what you will be doing with your grant, how it aligns with the aims of the fund, a budget summary and breakdown, and some more detailed information around your beneficiaries, track record, and how you will show the impact of your work. There will be two monitoring forms, one at an interim point of delivery and one at the end of the grant.

WHAT CAN THE GRANT BE USED FOR?

The fund can support work for up to 1 year. Your activity will need to align with one of the priorities of the Frank Branston Charitable Trust. Up to **10%** of the grant can be used for core costs, such as rent and utilities. The rest should be used for project or activity delivery costs. If you are unsure about what this means, please get in touch with a member of the BLCF team who will be able to help either by phone: 01525 306690 or email administrator@blcf.org.uk
